

Instructions for members of VectorNet on how to join the ECDC Virtual Academy (EVA)

This is a guide on the steps to take in order to: sign in; log in to EVA; and enrol as a participants of the VectorNet Ebinar series.

1. Access ECDC Virtual Academy (EVA)

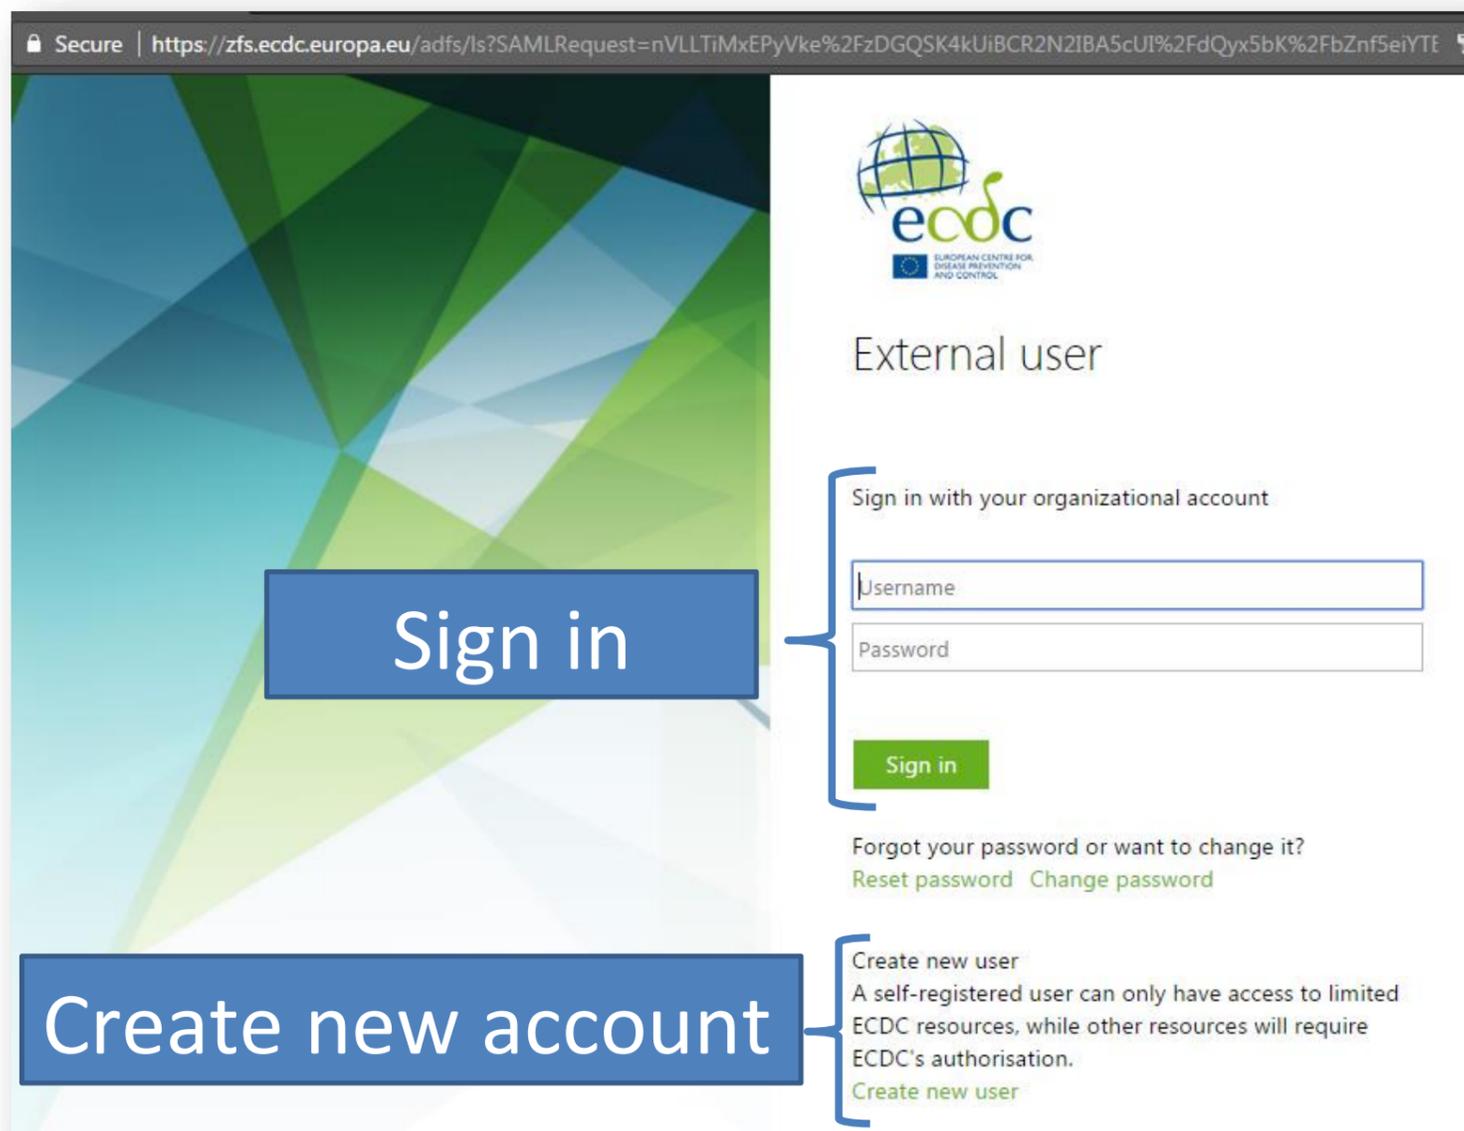

Open this URL in your browser: <https://eva.ecdc.europa.eu/>

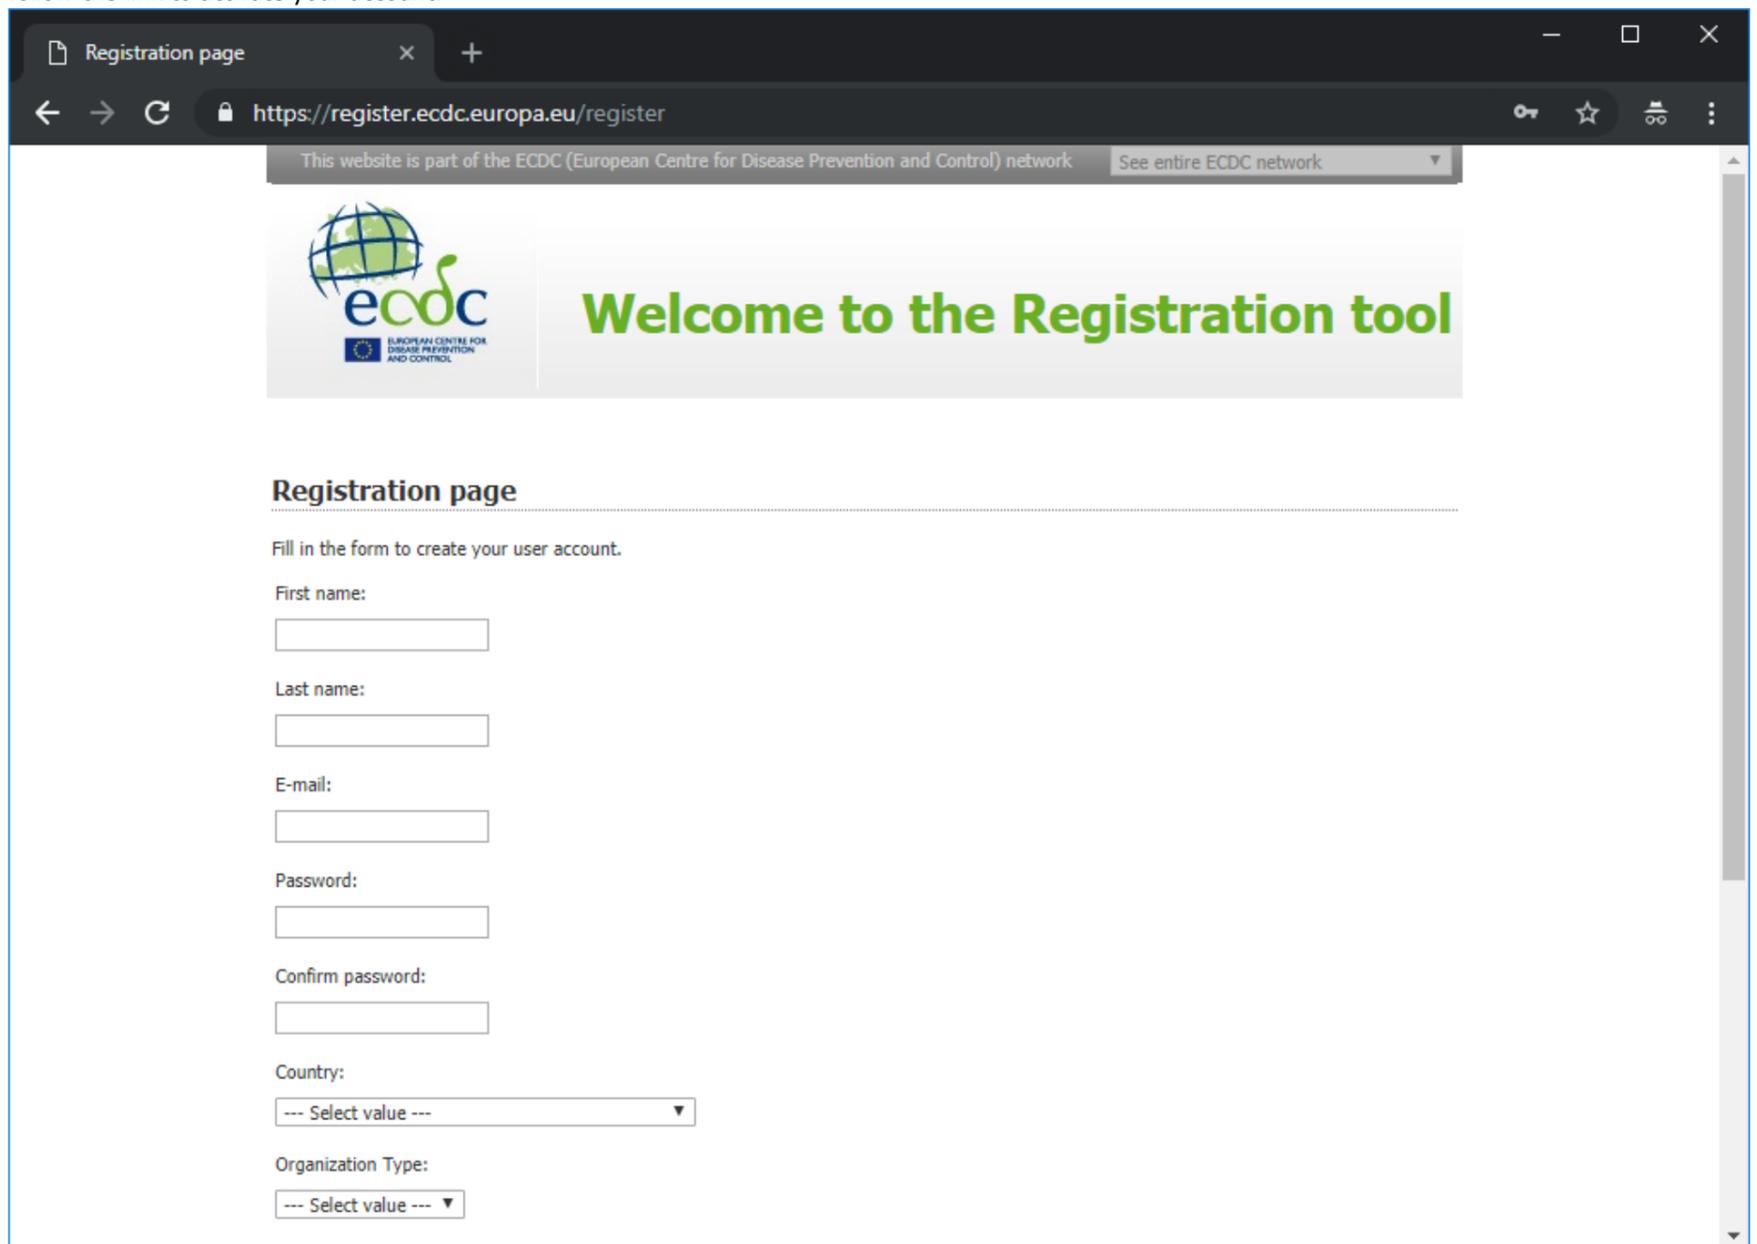

2. Authenticate using ECDC credentials

If you follow the Log in button on the right upper corner you will be taken to the ECDC Single Sign On authentication services where you are be able to authenticate using your credentials as an "external user". The option "Internal User" is for ECDC staff.

Here is also an option to reset your password in case you do not remember it.

2.b) (Optional) In case you don't have an ECDC account yet, please fill-in the form to create your account. You have to access your email box and follow the link to activate your account.

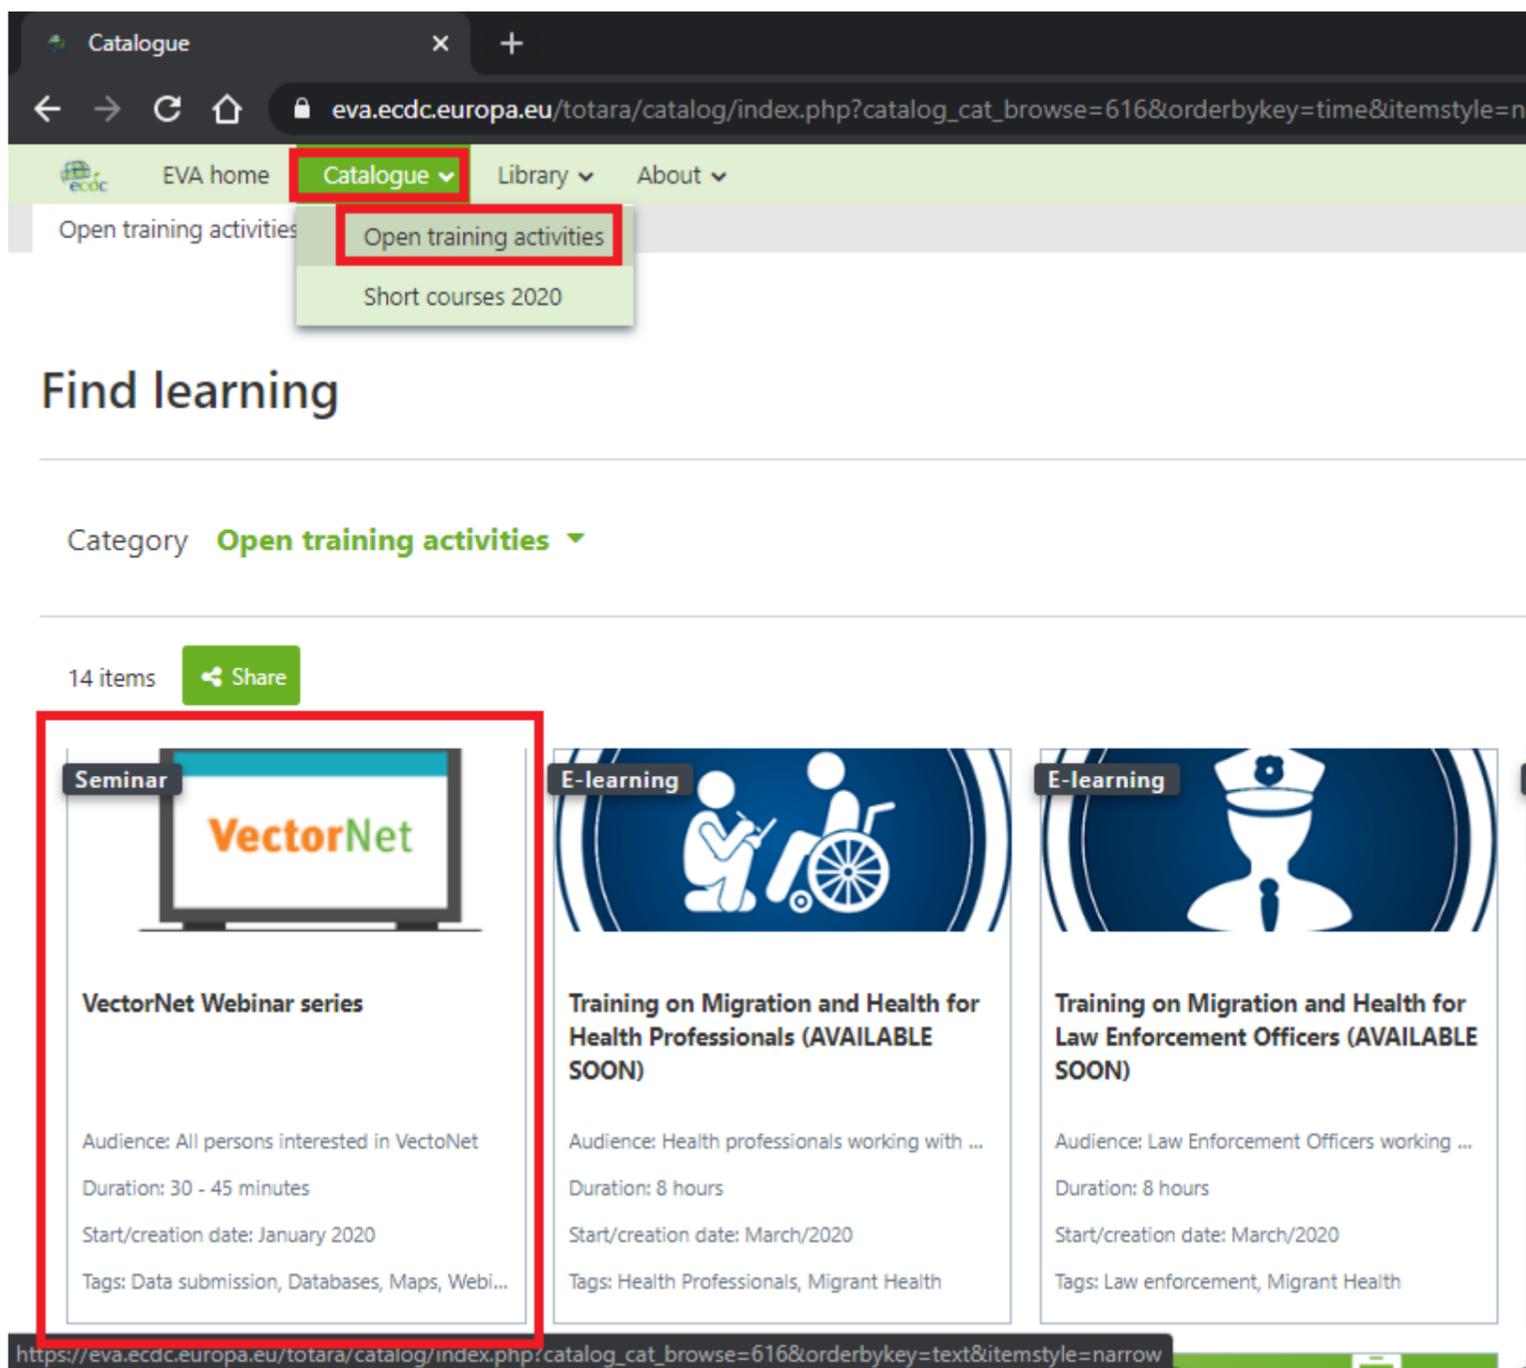

The screenshot shows a web browser window with the address bar displaying <https://register.ecdc.europa.eu/register>. The page header includes the ECDC logo and the text "Welcome to the Registration tool". Below the header, the page is titled "Registration page" and contains a form for creating a user account. The form fields are:

- First name:
- Last name:
- E-mail:
- Password:
- Confirm password:
- Country:
- Organization Type:

Upon creation of a new account you will be able to authenticate in EVA (see step 2).

3. Find the activity named 'VectorNet Webinar series'.

Upon successful authentication you will be taken to the EVA home page. Here you can find the activity. It is available under "Catalogue" -> "Open training activities" and it is named "VectorNet Webinar series". For your convenience, use this link: <https://eva.ecdc.europa.eu/course/view.php?id=298>

The screenshot shows the EVA Catalogue interface. The 'Catalogue' menu is open, and 'Open training activities' is selected. The 'Find learning' section shows a category filter for 'Open training activities'. There are 14 items listed, and the 'VectorNet Webinar series' activity is highlighted with a red box. The activity details are as follows:
